2 YOUR BOOKING

2.1 When You make a booking, We will record Your request for a rental

vehicle in our reservation system and will endeavour to ensure that a vehicle of the vehicle class booked is available for You at the Pick Up Time at the Hiring Location, subject to availability. There may be times where, despite Your booking, no vehicle is available for Your rental. When the vehicle requested in the booking is not available, We will endeavour to supply You an alternative vehicle, subject to availability, which may be in a different car class.

Vehicle Class

- 2.2 Your booking is for a particular vehicle class (which includes more than one specific make and model of vehicle) and not necessarily for the vehicle that is displayed in Your booking. You may receive any vehicle in the vehicle class for Your rental.
- 2.3 Even if You have a valid booking, We may refuse to provide You a rental car where You do not present a valid drivers licence acceptable to Us, do not provide the required Security Deposit or Charge Card, fail to pay the Rental Charges, are intoxicated, aggressive or confrontational with Our staff or due to Your prior conduct.
- 2.4 To be able to rent from Us or another Sixt Service Provider, You must present Your driver licence to the Sixt representative at the Hiring Location. Your driver licence must be a non-provisional driver licence that is current for the entire period of Your rental and is valid for the class of vehicle that You are renting. If Your driver licence is not an Australian driver license, it must be one of: a photo licence that is in English, an International Driver Permit or a foreign photo licence with a NATII certified translation.
- 2.5 To be able to rent from Us or another Sixt Service Provider, You must at our request pay the applicable Security Deposit or have a hold placed on Your Charge Card, as security for additional charges You may incur under the Rental Agreement. For more details see section 5 (in particular, 5.26. For acceptable payment methods see section 5.16.
- 2.6 You may cancel Your booking prior to the date and time of the commencement of Your rental. Cancellation fees may apply.
- 2.7 A 'No Show' fee may apply if You have a prepaid booking and You fail to notify Us of Your cancellation of the booking prior to the date and time of the commencement of Your rental.

Late Pickup:

- 2.8 Where a vehicle is available, we will hold that vehicle for You for 4 hours after the Pick Up Time (or until the rental station's closing time if the Pick Up time is within 4 hours of closing time) in the event You are running late. If You do not attend the rental counter at the Hiring Location within this time, the vehicle may be rented to another customer and You may lose Your booking. In this event, You may still be able to rent a vehicle if a vehicle is available, however the price quoted in the booking will not apply and the Rental Charges will be recalculated based on the rates that apply at that time, which may be higher than the rates that applied to Your original booking. Please contact Us as soon as possible if You know You are arriving late so that we can do our best to accommodate You.
- 2.9 If You made Your booking through Sixt Australia, this section 2 is subject to any booking terms and conditions provided to You at the time of booking.

Third Party Booking

- 2.10 If You have made a booking for a Sixt vehicle rental through a third party - for example via another website or travel provider - Your arrangement is with the third party and not with Us, and these Terms and Conditions do not apply. Your legal rights, including in relation to variations and cancellations, are as described in the agreement You made with the third party. You do not have rights against Us or any other Sixt Service Provider in relation to that booking unless and until You enter into the Rental Agreement with a Sixt Service Provider.

Variations to Bookings

- 2.11 Subject to some exceptions listed below, You are able to vary Your Sixt booking prior to the Pick Up Time by selecting the "Manage Bookings" tab on the www.sixt.com.au website, by calling Our customer support team on 13 74 98 (+61 2 8337 2700 International) or by emailing modifybooking@sixt.com.au. If You have created a Sixt online account, You can also view and modify your booking by logging in via the www.sixt.com.au website. If You did not use Your account when

booking, you may need to link Your booking to Your account prior to being able to modify it. For assistance linking your booking to Your account, please contact Us.

- 2.12 **(new rates may apply)** When You make a variation request, You will be quoted the new charges that will apply to the varied booking. In most cases, the new charges will be calculated at the rates in effect at that time, and not at the rates which applied at the time You first made Your booking. The new rates may be higher than the original rates. This means that the total cost of the varied booking may be higher even if the car class and length of Rental Period has not changed or has been reduced.
- 2.13 **(vehicle availability)** Your variation request will be subject to our estimated vehicle availability. You will not be able to vary a booking if We estimate that we do not have sufficient vehicles of the vehicle class requested for the proposed Rental Period.
- 2.14 **(changing Hirer name or Hiring Location not permitted)** Once You have made a booking, You cannot change the name of the Hirer (Your name) or the Hiring Location for Your booking. If You do want to change the Hirer name or Hiring Location, You will need to cancel Your existing booking and make a new booking.
- 2.15 **(changing Return Location)** Depending on the Hiring Location of Your rental booking, You may be able to vary the Return Location to a number of other select locations. If You change the Return Location to a location that is different to the Hiring Location (we call this a "**One-Way Rental**"), a one-way fee may apply. One-Way Rentals are available between specific locations only and may be further restricted during particular time periods. All requests for One-Way rentals are subject to Our approval and You may be unable to vary the Return Location to Your desired location.
- 2.16 **(adding membership number or discount code)** In most cases, You will not be able to modify Your booking to add a membership number or discount code. This includes an Auto Club membership number, which must be provided at the time of booking to qualify for any applicable discounts or offers.

Location closure and change of hours

- 2.17 In the event of Sixt Pick-up Location closure, We may, at Our discretion, cancel any existing Booking at that location and refund all amounts paid, move a Booking from an impacted location to a nearby location or provide transport to an alternative location. In the event a Sixt location changes operating hours, the pick-up and drop off times of a Booking may be varied by Sixt Australia to align with the new operating hours.

3 YOUR RENTAL PERIOD

- 3.1 Your rental of the Vehicle from Us is for the Rental Period at the rate shown in the Rental Details Document.
- 3.2 The Vehicle (including keys, keyless start, Vehicle key card or remote and any other accessory or equipment supplied) **must** be returned to the Sixt rental station specified in the Rental Details Document next to the check in time (**Return Location**) at the check in time shown in the Rental Details Document.

Early Return

- 3.3 You may end Your rental earlier than the check in time shown in the Rental Details Document by returning the Vehicle to the Return Location, in which case the daily rate payable may be adjusted to reflect the daily rates that apply for shorter rentals and You will be charged all daily Rental Charges based on actual duration of the rental, in accordance with clauses 5.7.

Extending the Rental Period

- 3.4 We understand that circumstances change and You may require the Vehicle for longer than the Rental Period. If so, You must contact Us prior to the expiration of the Rental Period to request an extension. We may approve or deny Your request.
- 3.5 If We do not approve Your request for an extension to the Rental Period, You must return the Vehicle by the check in time specified in the Rental Details Document.
- 3.6 If We approve Your request for an extension to the Rental Period We will process a further hold on your Charge Card at that time for the estimated additional Rental Charges resulting from the extension and confirm the new check in time that will apply.

Late Return:

3.7 If You fail to return the Vehicle (including the keys, Vehicle key card, remote or keyless start) at the end of the Rental Period and We have not agreed an extension to the Rental Period in accordance with clauses 3.4-3.6, We will continue to charge You, for one additional 24 hour period from the end of the Rental Period, the Rental Charges calculated as described in clause 5.7 until the Vehicle (and key, key card, remote or keyless start) is returned. Where the key, key card, remote or keyless start is lost, clause 14.2(e) will apply.

3.8 If the Vehicle is returned to Us more than 24 hours after the check in time shown in the Rental Details Document (or any later check in time We agree to under clause 3.6) We will continue to charge You for all Rental Charges. We may also charge you a Late Return Administration Fee for each 24 hour period You are charged for under this clause 3.8.

3.9 Further to clauses 3.7 and 3.8, if We are unable to reach You, after 2 attempts, using the contact details You provided or We suspect the Vehicle will not be promptly returned We may:

- (a) recover the Vehicle by lawful means and charge You Our reasonable costs of recovery; and/or
- (b) report the Vehicle as stolen.

Once the Vehicle is reported stolen, clause 14.3 will apply and We may charge You the fees and charges listed in clause 14.3 in place of the Rental Charges.

4 RENTALS OVER 28 DAYS

4.1 If Your rental exceeds 28 days, Sixt will process a hold on your Charge Card for the estimated Rental Charges for the first 28 days of the Rental Period at the commencement of the rental. On the 28th day, Sixt will take payment of the actual Rental Charges for first 28 days of the rental and process a hold in the amount of the estimated Rental Charges for the next 28 days of the rental continuing in cycles of 28 days thereafter.

4.2 Please take care to observe any mileage restrictions notified by any Sixt representatives or noted in the Rental Details Document or your Sixt booking confirmation and contact the Hiring Location immediately if the Vehicle's mileage exceeds the stated amount.

4.3 When any kilometre restriction is exceeded or the Vehicle requires servicing or repair, We may ask You to return the Vehicle and You must return the Vehicle as directed. We will provide You with a similar alternative Vehicle for the remainder of the Rental Period if that is the case.

You authorise Sixt to charge (in the manner described in these Terms and Conditions) all charges payable by You under the Rental Agreement, including without limitation all Rental Charges and all Damage Costs payable under sections 13, 14 or 15, to the Charge Card.

5.20 There may be instances where We are unable to determine all charges payable until some time after the conclusion of the Rental Period and the release of the Security Deposit – for example: where We receive infringement notices after the Rental Period has ended, where the Vehicle has not been returned on time, where there is damage which requires assessment or where a police investigation is ongoing. You agree that We may charge the Charge Card during the Rental Period and for a reasonable time after the end of the rental period being in most cases a period of 60 days after the return of the Vehicle or a longer period where exceptional circumstances exist, in relation to such charges and authorise Us to do so.

5.21 **Card payment fees** apply and will vary depending on payment card used.

5.22 Payment by debit card is not accepted on all Vehicles or at all Hiring Locations. Please check with the Hiring Location that Your proposed means of payment is accepted before signing the Rental Agreement. Where accepted, a debit card must be a Debit MasterCard or Visa Debit Card which shows Your name printed on the card. Cards without Your name are not accepted as debit cards.

5.23 For a list of accepted credit cards please contact Us.

5.24 Cash payments are not permitted.

Unpaid Amounts and Enforcement Costs

5.25 If payment for any amount due under the Rental Agreement using Your Charge Card fails and You do not pay such amount by alternative means after We have tried to contact You using any of the contact details provided at the commencement of Your rental:

- (a) We may terminate Your rental in which case the Rental Period will be at an end and You must immediately return the Vehicle to the Return Location and clause 16.2 applies;
- (b) You must pay Us interest on that overdue amount calculated at the rate equal to the standard business overdraft rate charged from time to time by the ANZ Bank starting 7 days after the date that overdue amount became payable to Us and ending on the date of payment of all amounts due; and
- (c) You must pay the reasonable costs and charges We incur in recovering or attempting to recover that overdue amount, including mercantile or debt collection fees, commission and any legal or court costs.

We may also terminate Your rental in the event any Corporate Services Agreement applying to the rental is terminated, there is a default in relation to fees due and payable on any Sixt Charge Account to which any Rental Charges under the Rental Agreement are to be charged or We reasonably believe Rental Charges to be charged to the Sixt Charge Account will not be paid.

Security Deposit

5.26 At the commencement of the rental, and in addition to paying the estimated Rental Charges, We may place a hold on Your Charge Card, as security for additional charges which You may incur under the Rental Agreement (**Security Deposit**).

5.27 You will be required to at our request to pay the Security Deposit on Your Charge Card as security to cover additional charges You accrue under the Rental Agreement. The Security Deposit will be refunded after the conclusion of the rental subject to and in accordance with the terms of

the Rental Agreement. Where a hold has been placed on your Charge Card as a Security Deposit, any additional charges due under the Rental Agreement upon return of the Vehicle will be processed against this pre-authorisation.

- 5.28 The amount of the Security Deposit required is the amount displayed at the time of booking and is also set out in the booking confirmation. This amount must be paid by credit card or at our request by a hold placed on your Charge Card.
- 5.29 A higher Security Deposit amount may be required if the Sixt Service Provider agrees to accept payment of the Security Deposit by debit card or cash. Payment of the Security Deposit by debit card or cash is not available at all locations and is subject to prior approval.
- 5.30 The Security Deposit amount will vary depending on the type of Vehicle You hire and the Hiring Location and will be notified to You on collection of the Vehicle.
- 5.31 At the end of the rental, We may process any additional charges incurred by You against this pre-authorisation. (See also clauses 10.9 and 10.10 **Release of Security Deposit**)

Third Party Payors

- 5.32 Regardless of any other provision of this Rental Agreement, where another person is responsible for paying any of the Rental Charges or any other charges payable under the Rental Agreement pursuant to an agreement We have with that person (**Third Party Payor**), We will only charge You and You will only be responsible for, the charges that the Third Party Payor is not responsible for under Our agreement with them. Furthermore, where We agree with the holder of a Sixt Charge Account that any charges under the Rental Agreement are to be charged to a Sixt Charge Account, those charges will not be charged to You but will instead be charged to the Sixt Charge Account.

Timing, verification and adjustment of charges

- 5.33 All amounts payable under the Rental Agreement are subject to subsequent verification and adjustment. Details of any adjustments will be provided to You as soon as practicable, and before any additional amounts are charged to You. If a refund is due to You it will be credited to the Charge Card. If any amount is due to Us You authorise Us to charge Your Charge Card with that amount. Such adjustments may be made during or after the end of the Rental Period.

Notifications of charges

- 5.34 We will notify You of all charges to Your Charge Card, including all final Rental Charges as set out in clause 5.4 and where any calculation of a charge is not specifically set out in these Terms and Conditions We will act reasonably in determining such charges.
- 5.35 We will notify you 24 hours prior to processing any Rental Charges that are not set out clause 5.4
- 5.36 If You dispute any charge, please notify Us of the reasons and We will review the charge in question.

This section 13 should at all times be read as subject to section 14 and 15 of these Terms and Conditions.

What You must pay us for Damage

- 13.2 Each time there is Damage or theft or loss of the Vehicle, You will be responsible for and must pay the Damage Costs described in clause 13.10 as reasonably assessed by Us, up to a total of the amount of:

- (a) the Damage Recovery Fee (DRF) as specified in the Rental Details Document or otherwise notified to you at the time of entry into the Rental Agreement; or
- (b) where the Damage occurred in a Single Vehicle Accident and Your Rental Details Document specifies that a Single Vehicle Accident Fee (SVAF) applies, the total of the Damage Recovery Fee amount and the Single Vehicle Accident Fee amount each as specified in the Rental Details Document;

except in the circumstances described in sections 14 or 15 of these Terms and Conditions in which case You will be responsible for all Damage Costs as described in those sections.

- 13.3 You may be required to pay the DRF and or the SVAF more than once if more than one instance of Damage or loss or theft of the Vehicle occurs.

- 13.5 There are also circumstances in which We will not charge You the DRF or SVAF which are described in clause 13.9.

How DRF and SVAF will be charged

- 13.6 Prior to assessing the Damage Costs payable in relation to any instance of Damage or loss or theft of the Vehicle, We may inspect the Vehicle and consider any claims received, make a reasonable estimate of the Damage Costs and charge You as follows:

- (a) if Our estimate of the Damage Costs is less than the total of the DRF and (if it applies) the SVAF, We may charge You Our estimate of the Damage Costs; and
- (b) if We reasonably estimate that the Damage Costs will exceed the total of the DRF and (if it applies) the SVAF, We may charge You the total of the DRF and (if it applies) SVAF.

- 13.7 Once Damage Costs have been assessed, We will charge You the amount assessed up to the total of the DRF and (if it applies) the SVAF. If We have already charged You an amount based on Our estimate of Damage Costs in accordance with clause 13.6, We will make the following adjustments:

- (a) if the Damage Costs as assessed are greater than the amount of estimated Damage Costs charged, We will charge You the difference, but ensuring the total amount charged in relation to that instance of Damage, theft or loss of the Vehicle does not exceed the total of the DRF and any applicable SVAF amount; and
- (b) if the Damage Costs as assessed are less than the amount of estimated Damage Costs charged, We will refund You the difference,

and will provide a tax invoice for the damage charges.

- 13.8 Where We subsequently recover all or a portion of the Damage Costs from a responsible third party or their insurer, or successfully defend any

third party loss such that the Damage Costs We actually suffer become less than the total amount of DRF and SVAF paid, We will refund You the excess, however in this event We may retain an additional amount to cover the reasonable administrative, collection or legal costs incurred in connection with such recovery or defence, which may include but is not limited to the Claims Handling Fee.
